The Company has the right to rely upon the accuracy of the Policyholder's calculations and to require the Policyholder to furnish a census from time to time but not more than twice in a 12-month period. If, at any time, it is determined that additional premium or a premium credit is due, the Policyholder will pay the additional premium or apply the premium credit at the next premium due date.

During this time, this Policy will stay in force provided the Policyholder pays all the premiums due by the last day of the grace period. This Policy will terminate on the last day of the period for which all premiums have been paid if the Policyholder fails to pay all premiums due by the last day of the grace period.

## Tennessee Guaranty Notice

The Tennessee Insurance Code requires all Group Life and Health insurers to provide a summary of the basic provisions of the Tennessee Life and Health Insurance Guaranty Association Act.

Any question concerning this summary should be directed to the Tennessee Life and Health Insurance Guaranty Association or to the Tennessee Department of Commerce and Insurance at the addresses contained in the summary.

### **NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE TENNESSEE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

To persons who, regardless of where they reside, except for nonresident certificate holders under group policies or contracts, are the beneficiaries, assignees or payees of persons who are owners of or certificate holders under the policies or contracts, other structured settlement annuities and who are residents or are not residents and the policies were issued in Tennessee, the states in which the person resides have associations similar to the Tennessee Guaranty Association, and the persons are not eligible for coverage by an association in any other state due to the fact that the insurer was not licensed in the state at the time specified in the state's guaranty association law. Those who purchase direct, non-group life, accident and health or annuity policies or contracts (to include allocated funding agreements, structured settlement annuities and immediate or deferred annuity contracts) and supplemental contracts to any of these and for certificates under direct group policies and contracts, should know that the insurance companies licensed in this state to write these types of insurance are members of the Tennessee Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The state law that provides for this safety-net coverage is called the Tennessee Life and Health Insurance Guaranty Association Act. The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

### **COVERAGE**

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by an insurer authorized to conduct business in Tennessee. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

### **EXCLUSIONS FROM COVERAGE**

However, persons holding such policies are not protected by this association if:

- (1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- (2) the insurer was not authorized to do business in this state;
- (3) a policy or contract providing any hospital, medical, prescription drug or other healthcare benefits pursuant to Medicare part C & D, or any regulations pursuant thereto or their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- (1) any policy or portion of a policy which is not guaranteed by the insurer or under which the risk is borne by the policy or contract owner;
- (2) any policy of reinsurance (unless an assumption certificate was issued);
- (3) interest rate yields that exceed an average rate;
- (4) dividends;
- (5) credits given in connection with the administration of a policy by a group contract holder;
- (6) employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);

- (7) A contractual agreement that establishes the member insurer's obligations to provide a book value accounting guarantee for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or its trustee, which in case is not an affiliate of the member insurer.
- (8) unallocated annuity contracts (which give rights to group contract holders, not individuals), unless qualified under Section 403(b) of the Internal Revenue Code, except that, even if qualified under Section 403(b), unallocated annuities issued to employee benefit plans protected by the federal Pension Benefit Guaranty Corporation are not covered.
- (9) A portion of a policy or contract to the extent it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract, but which have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this part, whichever is earlier.

#### **LIMITS ON AMOUNT OF COVERAGE**

The act also limits the amount the association is obligated to pay out. The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, regardless of the number of policies or contracts, the association will pay an aggregate of \$300,000 in life insurance benefits, but no more than \$100,000 in net cash surrender and net cash values for life insurance, \$500,000 in benefits for basic hospital, medical and surgical and major medical insurance; provided for policies or contracts issued by a member insurer that becomes insolvent after January 1, 2010, within the following limits:

\$100,000 for coverages not defined as disability insurance or basic hospital, medical and surgical insurance or major medical insurance or long term care insurance including any net cash surrender and net cash withdrawal values;  
\$300,000 for disability insurance;  
\$300,000 for long term care insurance;  
\$500,000 for basic hospital, medical and surgical insurance or major medical insurance;  
\$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values; or  
\$250,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values, with respect to each payee of a structured settlement annuity, or beneficiary(ies) of the payee if deceased, if any.

The Tennessee Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Tennessee. You should not rely on coverage by the Tennessee Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.
